

NORWEGIAN ELKHOUND MINUTEMEN ASSOCIATION RESCUE

Adoption Application

Thank you for helping to give a Norwegian Elkhound a second chance for a happy life. In order to place an adoptive Norwegian Elkhound properly, we need to know if the home will be compatible with the needs of the Elkhound. Please tell us about your home, lifestyle and what you expect from this pet by completing this application. This application needs to be completely filled out in order to have your family considered for adoption. We require a minimum donation of \$200.00 to help NEMA defray the cost of veterinary care needed to re-home our needy Elkhounds.
